PRESIDENT'S MESSAGE

This is the tenth anniversary of the First Annual Basque Festival. The festivities of this occasion have become an annual event looked forward to by the people of Elko County and Basques and their friends from all over the world. The festival and its activities, costumes and fellowship arise out of the culture and heritage of the old world Basques which originate far back in history. In the Basque Provinces, festival time and its games and dances were an integral part of the way of life of the Basque people.

The main purpose of this Tenth Annual National Basque Festival is the same as all preceding Basque Festivals both here in America and in the Basque Provinces — that is a time for Basque people and their friends to gather together to exchange stories, compete in games, dance and celebrate the good fortunes of life.

The Elko Euzkaldanak Club, Inc., is a non-profit corporation organized primarily to promote and preserve, protect and advance the historical, cultural, civic and social interests and activities of the Basque people. The Annual National Basque Festival is the Club's most important and biggest annual event. In addition to its primary function, this festival also is the Club's most important fundraising activity. All funds raised from this festival are used not only to further promote, collect and preserve the culture, heritage and history of the Basque people but also to contribute to other Elko County organizations and projects. Besides sponsoring the Elko Arinak Basque Dancers, which the Club sends to Ely and Reno, the Club has made many contributions in the past including:

Contributions to Elko's St. Joseph's Catholic Church which have totaled over \$1,000.00 in the past two years; a pledge of \$1,000.00 to the Elko Community College; contributions of approximately \$650.00 to the Elko Babe Ruth League; contributions to the Elko Community College Basketball Team in the amount of \$300.00; a contribution in the amount of \$250.00 to the Elko High School Marching "Band of Indians", which helped make possible its trip to the Presidential Inauguration in Washington D.C.; a contribution to the Nevada Chapter of the National Cystic Fibrosis Research Foundation amounting to \$500.00; and various other contributions including one to a local chapter of the Boy Scouts of America.

In the past, the Elko Euzkaldunak Club has had great support from its members and from the great majority of people and organizations of Elko County. The Club wishes to extend its greatest appreciation and thanks to all of its supporters. The Club wishes these two days of fun and festivities to be an expression of its gratitude and the Club invites all fellow Basques, friends and guests to enjoy the Festival and invites everyone to support and participate in the future National Basque Festivals.
