## PRESIDENT'S MESSAGE

On behalf of the Elko Basque Club, I would like to take this opportunity to welcome all of you to the 31st National Basque Festival. I would also like to thank all those people who have given their time to help put this festival together thereby making the 31st festival a reality.

This year you have Nick Fagoaga, one of the originators of this tradition, as festival chairman. We thank him for this continuing leadership. We also thank the dance instructors Anna, Grace and Janet for their dedication to our children who are the future of the Basque dancing tradition. Thank you, also, to all participants.

This years festival has focused on diversity which makes possible the American experience. We are very fortunate to live in a land that embraces difference rather than shuns it. I hope all of you enjoy the festival and our ongoing tradition.

Jack Lusar, President

We Miss you. Mike Olano family and Agustin Ugalde family

I'm sorry not to be present with you, but I've found a wonderful place with my family and friends, and yours, where the climate is always just right for a festival. They're all here: Celso, Calisto, Concha, Benedicta, Pete & Joe Juanita, Domingo, Jess, Manuel, Mercedes, Fred, Fernando. Maria, Tony, Dolores, John and so many more. Don't forget Julio, Lolita and Anita. What a great reunion it is.

We all pray, as do you, that one day we will all be together at the greatest Basque Festival of all.

# SATURDAY, JULY 2, 1994 SHEEPHOOKING

The sheephooking contest has its roots in the everyday life of a shepherd. The sheephook is to him like the rope is to the cowboy. The sheephook allows the herder to catch a sheep without injuring the animal. Our contest puts one man, on foot, in the pen, to hook one sheep, drag it to a post and tie one foot so the animal cannot get away. The fastest time wins.

1st - \$100.00 Quinn Dufurrena, D.D.S.  
2nd - \$50.00 Commercial Glass

Dr. Clox, Paul Monson official time keeper.
