The Tree of Guernica marks the place where the ancient Basque Assembly met to make the rules of the land. Kings of Spain were required to attend one of those meetings and swear to respect Basque privileges and rules. Thus the Tree of Guernica became for all the Basques the symbol of freedom and democracy. The song "Gernikako Arbola" has become the Basque National Anthem.

'Wish all Basques an enjoyable stay  
and a great time!'

# PRESIDENT'S MESSAGE

Welcome to the 22nd National Basque Festival. The Elko Euzkaldunak club hopes that the events planned will be a time for all people to be "Basque" for a couple of days. As the many activities get under way let us all be thankful that "our" country allows us to celebrate and keep alive "old world" traditions and remember that we all have "The Right To Be \_\_\_\_\_". In 1977 for the 14th National Basque Festival, the club had as it's theme "The Heritage of youth." It was the hope and aim to encourage our youth to become more than spectators in future festivals. Now, 8 years later, I believe this goal is being realized as many of those "youth" are now the young adults that are very active as members of the board of directors, committees and as contestants in the games.

A special thanks to Dan Bilbao, Jr. and the Stockmen's Motor Hotel for the many years of support for the Elko Euzkaldunak activities.

Thank you for coming!

Sincerely  
Bob Echeverria
