PRESIDENT'S MESSAGE

*Emanda zabal zazu munduan frutua.  
(Referring to the Tree of Gernika)  
"You have given widely of your fruit throughout the world."*

At the time when the Altube's and Garat's were settling the Elko Country region, Iparaguirre, through his song while in exile, recognized the fact that Basques were spread throughout the world. A hundred years later we gather many Basque people and organizations from around the world to show we continue to spread our culture.

One hundred years ago and even thirty years ago Basque people left their homeland in search of a better place to live and express themselves freely. Never forgetting their Motherland, "Amalur", they continued passing down traditions to their children. Now that the world has become a small one, we send our children back to a free and good place to live that has become that way through the hard labors of family that was not able to leave or just decided to stay and make that land a better place to live.

A tradition that started as a gathering and celebration for sheep and cattle ranchers eventually turned into the National Basque Festival. The festival was moved to the first full weekend of July, usually putting it around the 4th, to show our thanks to this country that accepted Basques and let us continue our traditions. We thank all the Basques and many more non-Basques that help us both finance and put on this festival each year.

A welcome, "ongi etorri", to all those that have come from around the world to help us celebrate this, our 30th National Basque Festival, and The 1993 NABO Convention and Mus Tournament. Through individual Basque clubs, NABO, Euskal Jauriaritza (Basque Government), Gobierno de Navarra (Government of Navarre), Atlantic-Pyrenees (3 northern Basque Provinces situated in France) showing cooperation amongst themselves and their willingness to help the rest of the Basques throughout the world in various ways, will continue to spread the branches of the Tree of Gernika.

## BIHOTZ BIHOTZEZ, AGUR!

Atsegin haundiz izan dut Elkon ospatuko duzuen bilera eta jaiakliaren berri. Aurreko urteetan bezala, zuen eta zuen aurrekoen JAIOTERRIA goratu eta omendu nahi duzuela ikastean, zuen artean izan nahi nuke, besterik ezean, AGUR honen bidez. Eta, beraz, har ezazue Gobernu honen eta Euskalerrri osoaren izenean nire agurrik sentikorrena.

Sarritan entzun izan da Euskalerrria Pirineoak aldean galduta dagoen herri txiki bat dela; bertan bizi direnek hizkuniza berezi bat erabiltzen dutela eta inguruetako beste Herriekin harreman haundirik izan gabe bizi direla. Baina munduan zehar diren Euskal Etxeetan zenbat euskaldun biltzen zareten ikustean, Euskalerritik Kanpoko Unibertsitate eta Empresetan edo politikagintzan, esate baterako, zenbat euskaldun edo/eta euskal abizendun diren aztertzean, Euskalerrriari buruzko iritzia aldatu egiten dela esan beharra dago. Gure Herria benetan txikia da eta euskaldunok ez gara asko. Baina Euskalerrri honetatik kanpo bizi zaretenok duzuen jaioterriarekiko maitasuna eta jokabidea kontutan hartuz gero, gero eta HAUNDIAGO eta ezagunagoa dela deritzot. Besteak beste, adierazgarri on bat urtero antolatzen dituzuen jaialdiak eurak izan daitezke. Beraieri esker, Euskaldunen izaera eta kultura hobeto ezaguizeko aukera berri bat eskeintzen diozue zuen inguruko gizarteari, eta, jokabide honetan, ezin inork ukatu Euskalerrriaren goi mailako ordezkari zaretena.

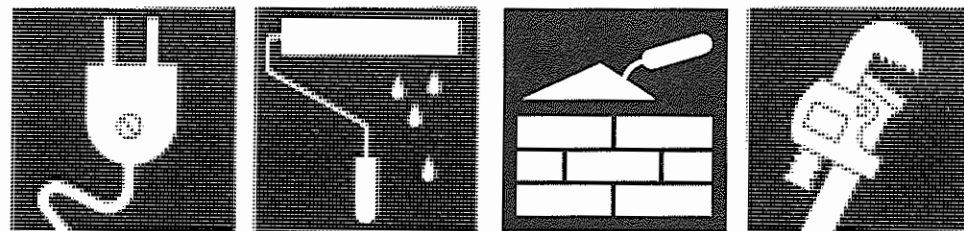

Esaten dudan hau ikusi eta bizi egiteko aukera ere izan dugu; zuen artean izan garenetan eskeni diguzuen abegi ona eta gure ekintzetan luzatu diguzuen laguntza ez ditut behingoan ahaztuko. Mila esker!

Aurrerantzean ere orain arteko jokabide horretan jarraitzeko eskatzera natorkizue. Etorkizuna ez dugu bat ere erreza izango. Gure nortasuna zaindu eta erakustea nahi badugu, teknologia alorretan buru-belarri sartu eta jokatu beharra daukagu; era bereko ahaleginetan ari gara gure EUSKARA maitea zabaltzen eta indaberritzen, ekonomia eta politika alorreran ere bide berriak jarraitu beharra izango dugu. Une honetan, hainbeste maite duzuen eta maite dugun Euskalerrri honi aurrera eragiteko arazo asko izan arren, gogotsu ari gara lanean.

Beraz, har ezazue, Jose Antonio Ardanza Lehendakariaren eta Gobernu osoaren izenean, nere agurrik eta zorionik beroena ZORIONAK.

English Synopsis of Josu Legarreta letter  
from the Basque Government  
to Elko and the NABO Convention

**Warmest Greetings**

I would like to be with you by way of this greeting at your meeting and Festival. The Basque Government and the whole Basque Country congratulates you for honoring your Basque ancestors and the birthday of your country for these many years.

Often we have heard that the Basque Country is but a very little country lost among the Pyrenees Mountains, with people who speak a very distinct language and mix little with those around them. However, when we see all the people with Basque names who gather at Festivals, at Universities, in business, as leaders in politics and at Basque Centers around the world, one must change their opinion about the actual impact of our small country. Your annual Festival is a great credit to you for displaying to the world the Basque love for their homeland and culture. In this direction no one can deny that you are the highest Ambassadors for the Basque Country.

We thank you for the welcome experiences of past visits with you. It is our hope that we can continue in the same way in the future. We must all work to protect our identity and beloved Basque language while seeking new technology that will lead our economic and political path into the future. We are working very hard to push forward different things to enhance the Basque Country.

Best wishes, warmest greetings and congratulations from President Jose Antonio Ardanza and the whole government.

Josu Legarreta  
Director of Cultural Promotion

The Elko Euzkaldunak thanks the Basque Government for sending the champion Trikitrixiariak to the 30th National Basque Festival. Roberto Echevarria and Kepa Arrizabalaga will travel from their home of Gatika in the province of Bizkaia to Elko to perform at all events.

**NAFARROAKO GOBERNUKO LEHENDAKARIAREN MEZUA**

Nafarroako Komunitateko Gobernuaren Lehendakaria naizen aldetik, agur bero bat igorri nahi dizuet Nevada estatuko Elko herrian ospatuko den Eusko Jaialdi Nazionalen parte hartuko duzuen guziori.

Eta agurra bereziki beroa da besta horretara beren sorleku maitea gogoratzeko doazen nafar edo nafarren ondokoentzat.

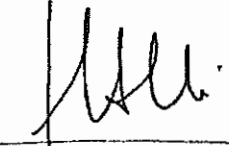

Seguru nago topaketa hori hunkigarri eta aberasgarria izanen dela, bai arlo pertsonalean, bai kulturarenean, Estatu Batuetara emigratu eta Atlantikoaren beste aldean utzitako kultura eta ohiturak ahaztu gabe beren familiak eta giro bat sortu zituzten pertsonen arteko adiskidetasuna sendotzeko balioko baitu.

Bihotzez eskertzen dut ekitaldi horietara joateko Euskaldunak Elkarteko Buruak egin didan gonbidapena eta benetan sentitzen dut egun horretan zuekin ezin egotea, egun horietan izanen dudan lanak ez baitit utziko.

Seguru izan zaitezkete uztailaren aurreneko egun horietan, gure Sanfermin ospetsuen aurreko egunetan, gure artean dauden milaka kilometrostako distantzietatik, zuen jaia gogoratu eta zuen alaitasuna nabaritu dudala, ordu batzuez zuen betiko etxean zaudetela sentituko baitut.

Besarkada haundi bat denontzat.

### MENSAJE DEL PRESIDENTE DEL GOBIERNO DE NAVARRA

Como Presidente del Gobierno de la Comunidad Foral de Navarra quiero, desde estas lineas, enviar un afectuosos saludo a todos los participantes en el Festival Nacional Vasco, que tiene como escenario la localidad de Elko, en el estado de Nevada.

Y quiero que este saludo sea especialmente intendo para los navarros o decendientes de navarros que acuden a esta fiesta para festejar y recordar sus origenes y su entranable tierra.

Estoy seguro de que este encuentro sera enormemente emotivo y enriquecedor, tanto en lo personal como en lo cultural, ya que servira para afianzar los lazos de amistad entre las numerosas personas que emigraron hasta distintos puntos de Estado Unidos y que se han establecido alli, creando unas familias y un entramado social que sigue manteniendo sus raices con la cultura y las costumbres de la comunidad que abandonaron al otro lado del Atlantico.

Agradezco cordialmente la invitacion para asistir a estos actos que me ha dirigido la Presidenta del Club Euskaldunak y lamento enormemente no poder estar con vosotros en una fecha tan senalada, por impedirmelo el abundante trabajo previsto para esos dias.

Podeis estar seguros de que en esos primeros dias de julio, en las visperas de nuestras famosas Fiestas de San Fermin, desde la distancia de los miles de kilometros que nos separan, recordadare vuestra fiesta y notare vuestra alegria por sentiros durante unas horas en vuestra casa de siempre.

Un abrazo muy fuerte para todos.

JUAN CRUZ ALLI ARANGUREN  
Presidente del Gobierno de Navarra

### A SYNOPSIS OF THE MESSAGE FROM THE PRESIDENT OF NAVARRA

The President sends a cordial greeting to all attending this festival, especially those of Navarrese descent. He is sure that this gathering will be both emotional and culturally enriching.

This gathering serves as a place for the strengthening of friendship for those who emigrated to the United States, who created families and a social framework that maintains the culture and customs of the community they left on the other side of the Atlantic.

He appreciates the cordial invitation extended to him, but with all the impending work for that week there with the famous Festival of San Fermin (Running of the Bulls), he cannot be with us.

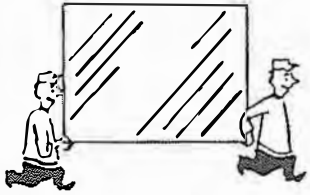

He assures us that even from a distance of many kilometers that separate us he will remember our festival and he will note our happiness that for several hours we return home in spirit.

We chose to print both the Basque and Spanish letters that were sent to us as a compliment to the Government of Navarra in it's renewal effort of being "Euskaldun". We also thank Navarra for a generous donation to assist the Elko Euzkaldunak in bringing over the weightlifter and woodchoppers from Navarra.

## BASQUE COUNTRY

### CHAMPION WEIGHTLIFTER

From the Basque country, Mikel Saralegi will surely please spectators with his strength in lifting a 500# cylinder, the 250# cubic block and the 225# granite ball. In April, 1993 Mikel lifted 320 kilos or 704 lbs. to set the record for a cubic lift. Mikel is sponsored by Bald Mountain Mine of Placer Dome U.S. Inc.

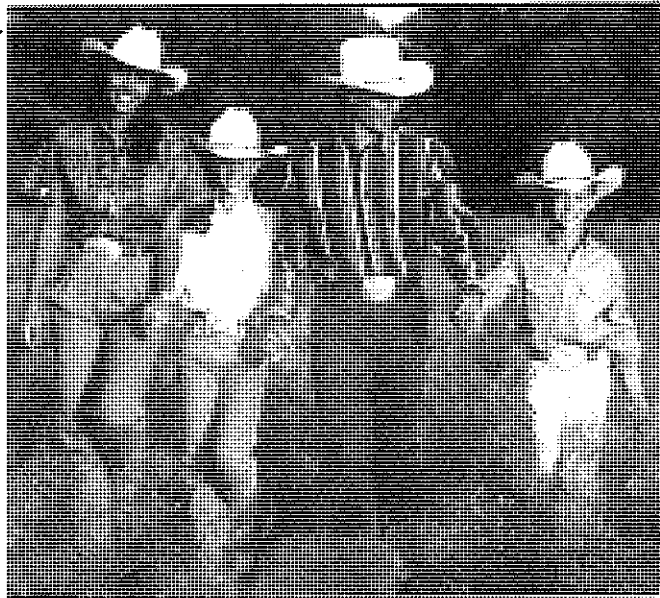

Mikel Saralegi makes the 225# granite ball look easy.

Mikel is shown dropping the 500# cylinder. Spotting the cylinder are Mike Irueta and Narciso Saralegi.
