**A MESSAGE FROM THE PARENTS**

*As parents of the Elko Arisak Dancers, we would like to thank all the instructors for their hard work and many hours that goes into making our children look good for this festival.*

*Anna, Yusanika, Malaina, and Grace you have done an excellent job with the younger groups. In giving them a stable foot to dance these authentic Basque dances. Your work sure does show.*

*Janet, we would like to thank you for continuing the tradition with the Senior group. Refining what has been taught and bringing these dances to their full beauty.*

*Also, at this time we would like to thank Maite Ugalde, Judy Ugalde, and Jess Lopetegui for instructing some of our children in the Basque card game, Mus. This is another piece of heritage our children can put in their pocket and give to the next generation.*

*No words can really express enough to all of you for teaching our children part of the Basque heritage that they deserve to know. We may not show it through out the year, but deep inside we really do appreciate all of you.*

*Thank you  
The Parents*

11:00 A.M. - CITY PARK  
HOLY MASS

Mass will be said in Basque and English by Father Marcel Tillous. Father Tillous comes to us from directly from the Basque Country and plans are being in this country for six years.

After finishing grade school in Esquile, the province of Xuberoa, he went to Bayonne to begin his education in the priesthood. Father Tillous was ordained a priest in Bayonne, in 1963.

Father Tillous spent 11 years in Ivory Coast, Africa, as a chaplain of a University. After his time there he spent 4 years in Larrau Xuberoa, as a Chaplain for the "Catholic Committee to Fight Hunger". In 1979 Father Tillous returned to Abidjan, Africa, until 1990 when he was appointed to be the Chaplain of the Basques in Paris, where he served until recently. His current address is 556 AnzaVista, SanFrancisisco, California 94115.

On behalf of the Elko Basque Club, welcome to our community.
